

Skin

**When I heard that sound When the walls came down  
I was thinking about you About you  
When my skin grows old When my breath runs cold  
I'll be thinking about you About you**

Seconds from my heart A bullet from the dark  
Helpless, I surrender Shackled by your love  
Holding me like this With poison on your lips  
Only when it's over The silence hits so hard

'Cause it was almost love, it was almost love It was almost love, it was almost love

**When I heard that sound When the walls came down  
I was thinking about you About you  
When my skin grows old When my breath runs cold  
I'll be thinking about you About you  
When I run out of air to breathe It's your ghost I see  
I'll be thinking about you, about you**

It was almost love, it was almost

We bleed ourselves in vain How tragic is this game?  
Turn around, I'm holding on to someone But the love is gone  
Carrying the load, with wings that feel like stone  
Knowing that we nearly fell so far now It's hard to tell

Yeah we came so close, it was almost love It was almost love, it was almost love

**When I heard that sound When the walls came down  
I was thinking about you About you  
When my skin grows old When my breath runs cold  
I'll be thinking about you About you  
When I run out of air to breathe It's your ghost I see  
I'll be thinking about you, about you**

While I reached out for your hand When the walls were caving in  
When I see you on the other side We can try all over again

**When I heard that sound When the walls came down  
I was thinking about you About you  
When my skin grows old When my breath runs cold  
I'll be thinking about you About you  
When I run out of air to breathe It's your ghost I see  
I'll be thinking about you, about you**

'Cause it was almost love, it was almost love It was almost love, it was almost love
