

## My Church

I've cussed on a Sunday                      I've cheated and I've lied  
I've fallen down from grace                  A few too many times  
But I find holy redemption When I put this car in drive  
Roll the windows down and turn up the dial

**Can I get a hallelujah      Can I get an amen**  
**Feels like the Holy Ghost running through ya**  
**When I play the highway FM**  
**I find my soul revival      Singing every single verse**  
**Yeah I guess that's my church**

When Hank brings the sermon    And Cash leads the choir  
It gets my cold coal heart burning                      Hotter than a ring of fire  
When this wonderful world gets heavy                      And I need to find my escape  
I just keep the wheels rolling, radio scrolling                      Until my sins wash away

**Can I get a hallelujah**  
**Can I get an amen**  
**Feels like the Holy Ghost running through ya**  
**When I play the highway FM**  
**I find my soul revival**  
**Singing every single verse**  
**Yeah I guess that's my church**

**Can I get a hallelujah**  
**Can I get an amen**  
**Feels like the Holy Ghost running through ya**  
**When I play the highway FM**  
**I find my soul revival**  
**Singing every single verse**  
**Yeah I guess that's my church**

**Hey, Can I get a hallelujah**  
**Can I get an amen**  
**Feels like the Holy Ghost running through ya**  
**When I play the highway FM**  
**I find my soul revival**  
**Singing every single verse**  
**Yeah I guess that's my church**  
**Yeah I guess that's my church**
