

THE JOKER AND THE QUEEN

How was I to know
It's a crazy thing
I showed you my hand
And you still let me win
And who was I to say
That this was meant to be
The road that was broken
Brought us together

And I know
You could fall for a thousand kings
And hearts
That would give you a diamond ring
When I fold
You see the best in me
The joker and the queen

I've been played before
If you hadn't guessed
So I kept my cards closed
To my foolproof vest
But you called my bluff (But you called my bluff)
And saw through all my tells (Saw through all my tells)
And then you went all in
And we left together

And I know
You think that what makes a king
Is gold
A palace and diamond rings
When I fold
You see the best in me
The joker and the queen

And I know
You could fall for a thousand kings
And hearts
That would give you a diamond ring
When I folded
You saw the best in me
The joker and the queen
The joker and the queen
